## Dog Days of Summer

Mark your calendar for Aug. 18-20, when the “Dog Days of Summer Weekend” takes place at **The Inn at Palmetto Bluff**, an Auberge Resort in Bluffton, S.C. With 50 guest cottages, this luxury property is quaint and graceful, and offers fine dining and a number of indoor and outdoor activities, including spa treatments, wildlife tours, boating, biking and golf.

The “Dog Days of Summer Weekend” package includes posh doggie amenities such as a fluffy bed, dog bowl and treats, as well as a variety of activities for you and your pooch. The weekend kicks off with a cruise down the May River, and on Saturday, a parade around the village honors the visiting pups. After that, it’s time to participate in the various dog-themed activities or enjoy a game of fetch on the beaches of the May River. Complete the day with a screening of *Cats and Dogs* at the Moreland Landing, complete with popcorn and dog treats. Wrap up the weekend on Sunday with a leisurely bike ride through the area.
